1:17 PM **me**: sup g
1:18 PM got Michael Hastings officially joined up, was Newsweek's Baghdad correspondent
later quit Newsweek out of disgust and wrote an article about how much it sucks
Mark: that must be satisfying
me: even told him about long-term plan for Project PM
1:19 PM decline of nation-states and whatnot
plus Juan Cole got back to me
says for me to send him info against next week when things are less busy
1:20 PM do me a solid
if you know of any academic types who might be interested in joining up
have them contact me
1:21 PM America is exceptional! It’s not her politicians that make her so; it’s her everyday people and the values Americans hold so dear. During this special week let’s take time to honor some exceptional citizens who may have felt ordinary, but by acting on opportunities in front of them, they’ve accomplished some extraordinary things and have made this world a better place.
from Palin's facebook regarding her Fox show
1:24 PM **Mark**: uhhh, right
by the way
me: I just like the first sentence
Mark: i'm having a party next saturday
me: sweeeeet
Mark: up in washington height
s
1:25 PM **me**: I'll try and bring TED girlfriend
if not her, then Catalina
Mark: deciding must be hard
me: not really, there's a chance that one will be busy
Mark: you can tell andrew and josh, and your current roommate too if you like
1:26 PM **me**: will do
my current roommate, meanwhile
Mirna
went to a Tracy Morgan show the other night
Mark: you mean stand up?
me: started messaging me about how he was making homophobic jokes and she was all mad and recording it

yeah
and then
1:27 PM I get messages about how she was making out with his friend Dot Com, who is apparently also on 30 Rock
and then they're going clubbing with both Tracy Morgan and Dot Com
funny how she corked her objections
1:28 PM and then she hit it off with Dot Com, who invited her to his birthday party
I'm going to try to get some comedy connex
out of her starfucking
1:29 PM **Mark**: that's the way to make good of it
me: I finally got an advance check today
got me some jingle jingle
also
Mark: for your book?
me: yeah
word to the wie
wise
get Freedom Force for $5
off Steam
1:30 PM which you must also download
Silver-Age comic book tactical strategy game
customize your own characters
with ridicuous number of possibilities
attributes, powers
I'm going to go play it right now lololol
1:31 PM **Mark**: man, a video game is the last thing i need to waste time on right
no
w
but anyways, i'll remind you about the party next week
me: word, do that
